# LPSMC Junior & Senior English Debating Teams Triumph in Challenging Debate Matches on Social Media Liability

## Junior Team

First Speaker: 2A Seriena Kiang

Second Speaker: 2A Ma Sherri Tiana

Third Speaker: 2B Lai Hong Rui, Henry

### Reflection by 2A Ma Sherri Tiana

My first debate competition was much harder than I expected. Mr. Byron, a total gentleman, helped me a ton. He went above and beyond, even using his lunchtime and free time to assist me. I studied my speech really hard, putting in countless hours. On the day of the competition, my leg was shaking under the chair with nervousness. Even after it ended, I still couldn't stop shaking. But the best part was receiving good compliments for my performance. Looking back, this experience really pushed me out of my comfort zone and taught me valuable lessons. It showed me the importance of preparation and the rewards of facing challenges head-on. I'm proud of myself for taking part in the competition and grateful to Mr. Byron for his unwavering support. It was an exciting and fulfilling experience that I will always remember.

## Senior Team

English Debaters who participated:

First Speaker: 5B Chau Sze Ting, Christine

Second Speaker: 2A Lam Hui Wing, Audrey

Third Speaker: 4D Wong Sin Ping, Candy

The LPSMC Senior English Debating Team achieved a resounding triumph in a challenging debate match against Hong Kong True Light College in the highly competitive Hong Kong Secondary Schools English Debating Competition. With the motion "This house would hold social media companies liable for the spread of fake news," the team demonstrated exemplary research and preparation. Notably, Chau Sze Ting, Christine from Class 5B showcased remarkable composure and skill in her very first debate. Additionally, Wong Sin Ping, Candy from Class 4D was awarded the title of Best Speaker in the debate, after a stunning performance full of passion and pizzazz. Finally, we must give a special mention to Audrey from class 2A who is performing exceptionally well in the senior team despite only being in form 2. She always displays maturity, dedication, and passion. This impressive victory propels the LPSMC English Debating Team into the Term Finals, marking another significant achievement for the team.
