LPS Junior Debating Team Triumphs Again and  
Secures a Place in the Grand Final

The LPS Junior English Debating Team showcased their exceptional skills and emerged victorious in an important English Debating Competition held on May 10th in the HKSSDC. The intense debate took place at St. Catharine's School for Girls, where our team triumphed over their opponents from St. Catharine's. A special congratulations to Seriena Kiang from class 2A, who was honoured with the title of best speaker, displaying her eloquence and persuasive abilities. As well as honourable mentions to Danae Chu from 1A who performed with poise and confidence in her first ever debate. And Henry Lai from 2B who closed the show in style as usual! This wonderful achievement has secured the team a place in the Grand Final scheduled for July. We are immensely proud of our debaters and wish them continued success in their future endeavours.
