Commendable Award

Student Reflection by Yeung Yat Long, Isaac (2B)

During the awards ceremony, I was excited, and, in my mind, I was jumping up and down like a kid getting candy. My parents and brother were there, watching me go on stage and get my certificate. I wanted to wave at them, but I still needed to remain professional! When I went back to my seat, we exchanged a few glances and we all smiled at each other, I was happy to see my parents proud of me.

Student Reflection by Mak Ho Yeung, Angie (3A)

My experience at the SOW Awards Ceremony was nothing short of extraordinary. Especially as an awardee and one of the masters of ceremonies in the event. It was truly an honour to be a part of the 5th anniversary of the SOW readathon. Everyone I got to meet that day was incredibly welcoming, and the atmosphere was just immaculate. I was so happy that I got to congratulate the other students who participated and who got to showcase their incredible achievements. It was also extra special to have my parents in the audience and to take pictures together after the ceremony. Hopefully I'll be able to join next year!
